Some Notices From The Parish Council

1. Allotments have become available in Cropwell Butler, please contact the Parish Clerk to notify your interest
2. Residents must be mindful when completing building work on or around their property, that public access is not blocked
3. Back Lane is a one way road, and both horse riders and vehicles must proceed the correct way, there have been a few incidents recently where both have been going up the no entry way and this could cause an accident
4. Please could residents who build individual bonfires stop burning garden waste as unwanted smoke travels into other people's gardens and is a nuisance

Village Hall News - October, 2018

50/50 Draws The winners for September were first Pam Loch, £25, second Rose Haynes, £20, third Ruth Spence, £15, and fourth Margaret Roberts, £10.

Village Hall Maintenance Following various works the village hall is to have a decorating facelift at school half-term at the end of October. Then we shall look even lovelier!

Christmas Lunch There is a bold advert elsewhere in this edition for the lunch and the cost has again been kept at £15 a head. Tickets will be on sale from **Veronica Oldfield, 0335241, from 12th November**. Some people come in groups large and small and all are equally welcome, and this applies if you are on your own or come as a couple. The size of the hall, the stock of tables and chairs we possess, and the need to make sure people can move about all mean we spend a lot of time trying to make it all fit together in the room. We do our level best to seat people in friendly groups. This requires a degree of sensitivity unknown in normal negotiations but here in the village hall this is undertaken by people skilled beyond imagination.

The Sheldon Field Marquee

The Sheldon Field Committee is pleased to report that, with some of the funds allocated by the Parish Council from the John Samworth legacy, we have been able to purchase a new 15 metres x 5 metres Marquee. This is now available for hire for village events or for private parties. The Marquee is sectional and can be erected in varying sizes from 6 metres x 6 or 9 metres to 15 metres x 6 or 9 metres.

Hire Rates:

The Marquee is available in the following sizes and prices:

15 metres long x 9 metres wide (or 6 metres wide) £500

12 metres long x 9 metres wide (or 6 metres wide) £450

9 metres long x 9 metres wide (or 6 metres wide) £400

6 metres long x 9 metres wide (or 6 metres wide) £350

Autumn Villanelle

Autumn brings nostalgia in the dying of the light,
 Midday shadows lengthen, the sun slips down the sky,
 Gentle recollections of summer's past delight.

Soft mysterious daybreaks with lingering mists from night
 Dampen trees and hedgerows, summer's plants must die,
 Autumn brings nostalgia in the dying of the light.

Frosty diamond landscape, still and sparkling white,
 Autumn days in washed-out blue contrast with last July
 Gentle recollections of summer's past delight

Hallowe'en, its gruesome masks, but what of Bonfire Night
 Brutality in sacrifice enacted by a Guy
 Autumn brings nostalgia in the dying of the light.

Offers of exotic trips conceivably just might
 Allow the once tanned-traveller a self-indulgent sigh
 Gentle recollections of summer's past delight.

Imaginings like these one wonders where they lie?
 Who knows, who cares, but this I can't deny
 Autumn brings nostalgia in the dying of the light,
 Gentle recollections of summer's past delight

CROPWELL BUTLER & TYTHBY GARDENING SOCIETY
Thursday 13 September: Visit to the Gardens of Nottingham University.

The weather was warm and sunny as we set off to visit the beautiful gardens at the university. We saw three lovely gardens, the Millennium Garden with its bold modern designs, circular paths and water features; the Walled Garden, known for its exotic and unusual planting; and the attractive and formal Jekyll Garden. We enjoyed the lovely walks as we ambled through the stunning rolling parkland making our way between the gardens – it was a beautiful setting and a pleasant and relaxing place to visit.

Cropwell Cricket Club End of Season - Well that's another season done and dusted, and what a cracker it was! A record-breaking summer of sun and probably the best season so far for Cropwell Cricket Club. In total we played 16 Sunday friendly games (We also had a few evening 20/20 matches, a 3-club triangular tournament, a 6-a-side tournament and played in the National Village Cup!) and ended all square with 8 victories and 8 losses on those Sundays. It was not just the results that made it a great season, it was the enjoyment factor that went with every game that we played. All the teams we met, played in the right manner and made each game enjoyable, come win or lose, and to me that's the most important thing. If you are interested in stats for the season, there is an overview on our Cropwell Cricket Club Facebook page and you will also see our weekly match report.

We are very lucky at CCC, as we have one of the best grounds around (considering that the ground was a mere field less than ten years ago!) and we must thank Jim Besson, John Cowburn and all the helpers at the Sheldon Field for making it such a wonderful setting. We also have a team of willing helpers on Sunday afternoons, so again massive thank yous to Barbara Cowburn, Caroline Pywell and Julie King, for helping in the Kitchen/bar and giving your time up on Sundays; and to Andrew 'Tosh' Cockayne, for scoring and providing a much-anticipated match report, every week without fail, you can have a rest now!!

Once Christmas is out of the way we will start winter nets at Trent Bridge, so if there are any budding cricketers out there, please feel free to contact me. We have a wide age range, from 14 up to 60ish!!

Women's Institute

Thursday 6th September: Sarah Manton - creating joy from paper and textiles

Sarah creates, amongst other things, papercut artworks. Delicate pictures of interweaving lace, foliage and lianas (climbing vines) form beautiful filigree creations which are used to decorate cards and pictures. These delicate designs are created from paper and are cut using razer-sharp scalpels. Several of our intrepid WI members bravely had a go at creating their own artworks, and with much focus and deliberation most created a passable design they could be proud of. This was a lively, entertaining and fun evening.

Thursday Dec 6th Christmas Meal

New members can be assured of a very warm welcome – why not come along and give us a try.

The Tour Of Britain 2018 – Stage 7 – West Bridgford to Mansfield (223km)

The Tour came through Cotgrave along Colston Gate onto Knoulton Road and Cropwell Bishop, then onto Nottingham Road/Cropwell Bishop Road to Cropwell Butler; then onto Tythby Road, Main Street and Radcliffe Road to Radcliffe On Trent. Although it was a damp Saturday morning that didn't deter the spectators who came suitable attired.

Note the dual-purpose umbrella/parasol - good preparation for rain or sunshine.

The cyclists were cheered all along the route and the village showed its enthusiasm and support as you would expect. After a tough first six stages, the riders looked forward to what was a relatively straightforward stage to Mansfield, which hosted the start of a stage in 2017. All of the categorised climbs came early on the day and the sprinters were hoping for a bunch finish.

The race was eventually won by Julian Alaphilippe, a French road cyclist and cyclocross racer, aged 26, who seems a nice boy judging from his photo. His proud mother Catherine regularly buys the sports magazine L'Equipe (The Team) so she can respond to local townspeople's inquiries about how her son is doing (that is, local to Désertines* their home town, not local to Cropwell Butler).

* According to census data, Désertine has a declining population – in 2006 it had 4,500 inhabitants that steadily declined to 4,240 in 2012 but was boosted to 4,300 by 2014 – probably because of the fame of their local hero Julian - who knows?

And it's goodbye for this year – see you in 2019?

Cropwell Butler Website

Spoke to Mike Jones in August to obtain a detailed list of outstanding information/content to the website. Discussed the website with Martin from Dot Five Nine to see if he would like to propose a figure for updating and continuously supporting the website - £680.00PA this would include an hour per month to update the website content and to include site security/plugins.

Agreed with Martin regular contact so I can pass on content that needs updating

Playground Report

Cllr Day inspected the playground and this was looking clean and tidy. Discussed the option of looking at putting cable ties up around the top of the swings frame as a bird deterrent, these would be harder for vandals to damage and less expense to replace when worn. Playground inspection to take place in September, report should be available by October
